NECROLOGY REPORT FORM

To: CLERK OF SESSION, PASTOR, CHURCH SECRETARY,

The presbytery is to report the deaths of Elders, Ministers and Minister Spouses at each stated meeting of the Presbytery of the Cascades. This allows all presbyters to give prayerful recognition of the life and service of those servants whose lives on earth have ended.

Please use this form to notify the Stated Clerk of any persons whose names should be included in the necrology report, preferably as soon as possible after a death. For inclusion in the printed report, a completed form should reach our office not later than four weeks before any given meeting if the name is to be included in the printed report.
