Looking for a new Pastor

What qualities are we seeking in a new pastor?

- We would like a pastor who is passionate about serving the Lord and his people
- Treat all people equal.
- Preach Sunday services at 11:00 a.m.
- We are currently using Power Point, and are live streaming our services. We have front and back 70" flat screen TV's, piano and pianist, and a small choir.
- We would like to have special services for significant events such as Ash Wednesday, Good Friday, and Christmas Eve.
- Support our Outreach programs, such as the Warming Center, Bicycle Hostel, and Assistance Programs.
- No pastoral housing is provided. Pay is based on 10 hrs. /week, \$1,300 a month.

We currently have 10 members, 4 or more occasionally attending non-members. We attract seasonal attendance from vacationers. Lakeside, OR is home to population of 1.75K people, and only 3 churches. We believe there is a great deal of room for growth in our church membership. Our church is the only main-line church in the community. Our pastor needs to be someone who cares about people and our congregation, and who is willing to provide some pastoral care. We are seeking a person who preaches from the heart, believes in Jesus Christ and his greatest commandment, which is to love one another, to help each other, and to love the Lord with all our hearts. We understand that our money we can offer is not great, but we hope that with God's help, our passion for His people and the pastor's leadership will significantly increase our church attendance, membership, and our impact in the community.
