About Us:

Community Presbyterian Church was established in Waldport, OR in 1900. We moved into our current building in the 1950's, dedicating the sanctuary on March 16, 1958, seating 250. The church currently has 26 members, with an average attendance on 27 in person and 6 people on Zoom.

The Sunday School rooms were converted into a commercial kitchen from 2013-14 to accommodate our Saturday Food Program. Our Saturday Food Program now provides a hot meal and a food box of healthy food to take home and cook. We serve over 100 individuals each week.
